Personal information

First name(s) / Surname(s) **José M Gil**
Address(es) Edifici ESAB
Parc Mediterrani de la Tecnologia
Esteve Terrades, 8
08860-Castelldefels (Barcelona)
SPAIN
Telephone(s) +34-935521210
Fax(es) +34-935521121
E-mail Chema.gil@upc.edu
Nationality Spanish
Date of birth 04/01/1963
Gender Male

Work experience

Dates November 2005 to date
Occupation or position held Professor on Agricultural and Food Economics and Director of CREDA (Research Centre for Agro-food and Development Economics)

Teaching courses on Microeconomic Theory, Quantitative Methods, Sustainability in the Food System and Business Economics

Supervisor of 6 PhD Theses

Research Director: Coordinator of competitive and non competitive projects:

- Researcher: "Adapting the feed, the animal and the feeding techniques to improve the efficiency and sustainability of monogastric livestock production systems" (Feed-a-gene), (#633531), financed by the EU FP H2020, 2015-2020.
- Researcher: "Diversity of local local pig breeds and production systems for high quality traditional products and sustainable pork chains" (TREASURE) (#634476), financed by the EU FP H2020, 2015-2019.
- Coordinator: "La Eficiencia medioambiental de la Agricultura Española", (RTA2012-00002), financed by Instituto Nacional de Investigación y Tecnología Agraria y Alimentaria (INIA), 2013-16.
- Researcher: "Transparency of Food prices" (TRANSFOP), financed by the EU FP7, 2011-2013.
- Coordinator: "Las preferencias sociales, consumo de alimentos, calidad de la dieta y obesidad en España: Implicaciones para la política agrícola y alimentaria" (AGL2010-18781) (Social preferences, food demand, diet quality and obesity in Spain), financed by the Ministry of Education 2010-13.
- Co-coordinator (with Mohamed ABd El-Wahab Abonahoul, University of Assiut, Egypt): "Principal determinants of the adoption of organic agricultura in Egypt" (A/028565/09), financed by AECID, 2010-11.
- Researcher: "Transmisión de precios entre los mercados energéticos y de alimentos: el efecto de los biocombustibles", (RTA2009-00013) (Price transmission between food and energy prices), financed by INIA, 2009-12.
- Researcher: "Study on the improved methods for animal-friendly production, in particular on alternatives to the castration of pigs and on alternatives to the dehorning of cattle" ("ALCASDE"), financed by the EU DG SANCO (SANCO/D5/2008/SI2.517191), 2009.
- Researcher: "Réseau d'experimentation, d'échange et de transfert pour le développement de l'agriculture biologique en productions végétales à destination des agriculteurs catalans", financed by the EU (INTERREG). (Objectif 3 de cooperation territoriale Espagne – France – Andorre) (EFA 10/08), 2009-2011.
- Co-coordinator (with Gamal Mohamed Siam, University of Cairo, Egypt): "Efectos de la Gripe Aviaria Sobre la Demanda de Carnes en Egipto (The Effects of Avian Influenza on Meat Demand in Egypt), A/010055/07, financed by The Spanish Agency for International Cooperation and Development (AECID), 2008.
- Researcher: "Los efectos de las medidas de Desacoplamiento de la PAC sobre las decisiones de producción" (AGL2006-00949/AGR) (Effects of CAP decoupling on farmers' production decisions), financed by the Ministry of Education, 2006-09.
- Coordinator: "Factores Determinantes y Potencial de Desarrollo del Mercado de productos ecológicos", (Main factors affecting market potential for organic food), financed by INIA, 2006-09.
- Researcher: "GM and non-GM suply chains: their CO-Existence and TRAcability (CO-EXTRA)" financed by EU FP6, 2005-2009.
- Researcher: "Market and Trade Policies for Mediterranean Agriculture: the case of fruit/vegetable and olive oil (MEDFROL)" financed by EU FP6, 2004-2007.
- Coordinator: "La industria agroalimentaria en Cataluña: localización, estructura financiera y estrategias empresariales de innovación y exportación" (The Agro-food Industry in Catalonia: location, financial structure and innovation and export strategies), financed by INIA, 2003-04.
- Researcher: "Agricultural Sector in the Member States and EU: econometric modelling for projections and analysis of EU policies on agriculture, forestry and the environment", financed by UE FP5, 2001-04.
- Coordinator: "Seguridad alimentaria, información y comportamiento del consumidor" (Food safety, information and consumer behaviour), financed by INIA, 2001-03.
- Researcher: "Sustainable restoration and long-term management of contaminated rural, urban and industrial ecosystems" (FIKR-CT-2000-00018), financed by UE FP5, 2000-03.
- Researcher: "Estudio sobre la estrategia de calidad integral en los productos alimenticios: el caso de la carne fresca de vacuno y ovino" (Analysis of quality strategies in food products: the case of lamb and beef, financed by the Ministry of Education, 2000-03.

Name and address of employer	Technic University of Catalonia Jordi Girona, 31 08034-Barcelona SPAIN
Type of business or sector	University
Dates	September 2002 to October 2005
Occupation or position held	Lecturer on Agricultural and Food Economics
Main activities and responsibilities	Teaching and Research activities as mentioned above Participation in National and European projects
Name and address of employer	Technic University of Catalonia Jordi Girona, 31 08034-Barcelona SPAIN
Type of business or sector	University
Dates	April 1989 – August 2002
Occupation or position held	Researcher
Main activities and responsibilities	Research activities related to food markets Supervisor of 7 PhD Theses Participation in National and European projects dealing with food demand, consumer behaviour, price analysis, agricultural policies and value chain management.
Name and address of employer	Servicio de Investigación Agraria (SIA) (nowadays CITA) Avenida de Montañana, 930 50059-Zaragoza SPAIN
Type of business or sector	Public research centre
Dates	October 1992 – September 2002
Occupation or position held	Lecturer (Part Time)
Main activities and responsibilities	Teaching courses in Econometrics, Economic Theory and market Analysis.
Name and address of employer	Universidad de Zaragoza Pedro cervuna, 12 50009-Zaragoza SPAIN
Type of business or sector	University
Dates	January 1987 – March 1989
Occupation or position held	Course Coordinator
Main activities and responsibilities	Coordinator of the Course on Marketing of Agricultural and Food products.
Name and address of employer	Instituto Agronómico mediterráneo de Zaragoza Avenida de Montañana, 1005 50059-Zaragoza SPAIN
Type of business or sector	International Training Centre

Education and training

Dates	November 1991
Title of qualification awarded	PhD on Economics
Name and type of organisation providing education and training	University of Zaragoza
Dates	November 1990
Title of qualification awarded	MSc on Agro-food Marketing
Name and type of organisation providing education and training	International centre for Advanced Mediterranean Agronomic Studies (ICAMAS – CIHEAM)
Dates	June 1985
Title of qualification awarded	Bachelor on Economics
Name and type of organisation providing education and training	University of Zaragoza

Personal skills and competences

Mother tongue(s) **Spanish**

Other language(s)

Self-assessment

European level ()*

English

French

Understanding		Speaking		Writing	
Listening	Reading	Spoken interaction	Spoken production		
C2	C2	C2	C2	C1

Social skills and competences

- Experience of working on and leading multi-disciplinary projects (involving one or more geographically separated teams) dealing with agricultural marketing, consumer behavior, food industry, policy analysis and price transmission in agricultural markets
- Experience of working on pan-European research projects on convergence of food diets across European regions and on the evaluation of health issues on food demand in the EU.
- Supervisor of a large number of PhD and MSc theses
- Ability to communicate results to both academic and non academic audiences

Organisational skills and competences

- Ability to coordinate research groups
- Ability to manage European and national projects

Technical skills and competences

- Ability to write reports to a wider audience
- Good knowledge on econometrics and quantitative methods applied to agricultural markets
- Good knowledge of food chains in Spain
- More than 15 years of experience working in research projects related to Organic markets
- Specific knowledge on cereals, meat and wine markets
- Ability to write academic papers. More than 100 papers published in peer review journals.
- Reviewer of the most outstanding journal in the field of agricultural economics:
 - European Review of Agricultural Economics
 - Journal of Agricultural Economics
 - Agricultural Economics
 - British Food Journal
 - Applied Economics
 - Food quality and Preferences
 - Food policy....

Computer skills and competences	Good knowledge of statistical software: SAS, GAUSS, RATS, SPSS EViews Good knowledge of Office Software: Word, Excel, Power Point
Driving licence	Class B (Spain)
Selected Publications (last 10 years)	
Books	<ul style="list-style-type: none"> • REZITIS, A., GIL, J.M., SASSI, M., (eds), 2013. Economics of Agricultural and Food markets. Economics Research International.
